Illinois is committed to assisting child care providers in providing quality education and care for young children (birth through 12 years). One way to do that is with the Quality Improvement (QI) Funds. In Illinois, the quality recognition program is ExceleRate Illinois. All licensed child care programs are considered a part of ExceleRate Illinois. There are three (3) Circles of Quality above the Licensing level that programs can opt to work towards/advance to /or maintain. The QI Funds have been developed and are offered through the Child Care Resource and Referral agencies (CCR&R), to assist and support child care programs that are choosing to achieve a Circle of Quality above the Licensing level. Please read the overview and the guidelines to determine which area(s) best meets your needs. Requests may be made in multiple areas.

The QI Funds are based on available funding. The QI Funds program is administered by SAL Child Care Connection of Central Illinois. Funds are provided by the Illinois Department of Human Services' Division of Early Childhood (IDHS-DEC).

QI Funds can assist child care programs with:

- Achieving a Bronze, Silver or Gold Circle of Quality
- Achieving National Accreditation
- Advancing to a Bronze, Silver or Gold Circle of Quality
- Maintaining a Silver or Gold Circle of Quality

Specifics on each component are noted in this Quality Improvement Funds Grant Pack.

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

See the instructions for Part II, later.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**
